Please note the information is directly from information entered in the registration form.

If there is a correction to be made please let us know.

VERY IMPORTANT INFORMATION WHEN MAKING YOUR HOTEL RESERVATIONS:

One very important thing to note when you make your hotel reservation: You will be charged for one night stay immediately. IF you have to change your reservation (or cancel) you MUST do this at least 21 days in advance.

So if you are coming in on August 4, all changes to your hotel reservation must be made prior to July 13.

And for those of you who book multiple rooms please pay attention to this rule so you don't get charged needlessly for a change.

Link for hotel reservations: <https://www.starwoodmeeting.com/events/start.action?id=1712080087&key=3667158>

Hotel cut-off is July 2 --- as of today there are some nights that are sold out.

For more details about shuttle service, hotel amenities, etc.: kierlandresort.com/

Please note that your hotel stay will include complimentary wireless internet service in your room and public places.
